

Legal: NY City Wraps Corp. / DBA: NVS Visuals

Commercial printing and building visuals is what we love to do, but doing it with purpose and being conscious of your brand is what sets us apart from other production and fabrication shops.

We work on many commercial projects, whether they be fleet branding activations, trades show graphics, product launch events or corporate office branding. In all of these instances, we act as your personal in-house branding, fabrication and production team

- NVS specializes in large format printing, signage, and vinyl wrapping for interiors, exteriors, and automobiles.
- NVS can handle projects of any scope and scale.
- NVS has the ability to take on projects nationwide.
